## BASKETBALL DRAFT & TEAM RULES

1. In the event there are more coach volunteers than teams in a grade, prior year coaches will be assigned first, then coaches will be randomly selected from the volunteers. (This does not happen often. We usually have to recruit coaches. Please volunteer to coach your child's team.)
2. Each grade level will have a draft for all players by the head coaches. The first draft pick must be used to select the child of an assistant coach volunteer.
3. Due to the small number of participants on each team, if a player withdraws from the team after the draft (except for medical reasons), that player will be disqualified as a player from Summit basketball for the current season and the next following season.
4. A release form is required from a parent or guardian of each player for participation in the basketball league (Girls – Eastern Hills Girls Basketball League; Boys – CYO). Please sign and return the attached release form with the Sign-Up sheet.
5. Anyone desiring to participate in basketball after the sign-up deadline may be admitted at the discretion of the basketball commissioner. If there is sufficient room on a team for an additional player, the commissioner will assign the player to a team. Coaches may not add players to their team following the draft without the express permission of the commissioner.
6. Only Summit students will be eligible for the draft unless additional players are needed to fill team rosters. In such event, non-Summit players will be assigned to teams by the commissioner.
7. The Summit Boosters and Parent Run Basketball for grades 3 through 6 do not sponsor select or open teams. Therefore, any Summit student playing on a select or open basketball team which is identified as a Summit team or which wears Summit uniforms, will be ineligible for the parent-run basketball teams. A Summit student may play on a Summit parent-run team and a select or open team that is not identified as a Summit team. Boys may only play on one CYO team.
